

Hosting a Business Network Evening.

The Business Network Germany eV as a non profit organisation is funded solely through membership fees, donations and hosting.

The concept of holding meetings in varying locations is fundamental to the philosophy of bringing internationally minded business professionals together.

Our hosts are cultural, institutional and commercial. Whilst the TBNG normally funds the cultural and Institutional evenings,
Commercial hosts are required to fund their own meetings.

The triple win:

Companies and Institutions engage with new clients.
TBNG Members constantly meet contacts of new hosts.
Environment and atmosphere continually change.

Expectations of Host:

Donation of premises.
Provision of canapés or crudités.
Provision of wine and refreshments.

Benefits to Host:

Company name posted on our website, and distributed via newsletter.
Utilisation of TBNG meeting to promote business to a wide spectrum.
Receipt of bilingual information for invitation purposes.
Printed personal name tags for those attending on the evening.
Assistant for welcoming and identifying guests.
Brief presentation of company and services.
